Dear Parents/Carers

Re: Parent Information Evening for Year 8

This year, we are organising some parent information evenings for each year group, where we will provide tips and information to you on how best to support your daughter through her education. The Parent Information Evening for year 8 parents/carers will be on Wednesday 2 November between 4.30 – 5.30 p.m. in the school hall. The theme for this event is how to access our new Virtual Learning Environment. Refreshments will be provided too.

I would urge you to come along to this event if you can most strongly. One of my aims this year is to improve communication between the school and home, and this is part of that strategy.

Please complete the form below and return it to school by Monday 31 October so that we know how many are attending.

Yours sincerely

Nicola Walters
